

Dear Parents of Upcoming 1st Graders,

We are so excited to have your students in 1st grade for the 2023-2024 school year! We hope that having this list early will make it easier for you to purchase supplies for the coming year. Please read to and with your child throughout the summer. When you are driving in the car have them look for words on signs and count cars or animals around them. These things will be fun for you and prepare them for 1st grade. Thanks for your support! Have a wonderful summer!
